Building Interoperable Healthcare Systems

April 27, 2018 | 10 AM to 4 PM

Ramee Grand Hotel, Apte road, Shivaji Nagar, Pune - 04

About

Over the years, National Resource Centre for EHR Standards (NRCeS) has been associated with health IT community with around 64 organizations and more than 4000 individuals through events, workshops, training, support, software and resources utilized.

NRCeS Users' Meet is a platform to share experiences about implementation and adoption of EHR standards, practical challenges, solutions, best practices and future approaches. This event is an effort to bring health IT leaders together towards building interoperable healthcare system in the country. We are delighted to invite you to join us for NRCeS Users' Meet – Summer 2018 at Pune on April 27, 2018.
